

Mitzvah Magic

Chai Birthday Celebration!

Mitzvah Magic is turning 18! Join us to celebrate this extraordinary community program that connects generous community members with local Jewish families in need during the holidays.

Together, Jewish Philanthropies of Southern Arizona (JPSA), Jewish Family & Children's Services of Southern Arizona (JFCS), and hundreds of volunteers transform wish lists into meaningful moments of dignity, care, and connection across Southern Arizona.

Help us reach more families, bring a friend to the party!
