AgeWell Day is a collaborative Jewish Ecosystem of Southern Arizona initiative supported by a generous grant from the Community Fund to Support Jewish Elderly and Disabled managed by the Jewish Community Foundation at JPSA.

AgeWell Day Resource Expo

Get a flu shot or COVID-19 vaccine, learn about adult communities and care options, connect with your Jewish roots, ask questions about Alzheimer's, and so much more!

Meet representatives from local Jewish agencies and non-Jewish organizations that are valuable resources for older adults. Ask questions, discover new resources, and learn more about the synagogues and organizations serving our community.

Come explore the resources, make connections, and discover what's available to help you and your loved ones age well!
